Parents/Guardians: Dunlap School District aims to provide nutritious and appetizing meals to students each day. The district recognizes that good nutrition is vital to students health, their mental and physical growth and their readiness to participate and learn at school. The food service program operates in conjunction with the federal and state school nutrition programs, including the National School Lunch Program. It is the district's goal that the food service program be operated in a manner that is financially self-sufficient on an operational basis. Unpaid meal charges place a large financial burden on the food service program. It is the parent/guardian s responsibility to provide lunch money for their children s school lunches. If you need assistance with school meals, please fill out the 2024-25 free/reduced household application available on August 1, 2024 to see if your family qualifies.

2024-25 Household Meal Applications are available for everyone throughout the school year.

Reminder: A New Application must be filled out every new school year

Did you know we have a Kitchen Angel Lunch donation account that is used to help struggling families pay for school meals? If you would like to help, need help, or want information please contact:
